If the County determines that a breach of contract has occurred, that is, the Contractor has failed to comply with any terms or conditions of this Contract or the Contractor has failed to provide in any manner the work or services agreed to herein, and if the County deems said breach to warrant corrective action, the following sequential procedure shall apply:

- A. The County shall notify the Contractor in writing of the nature of the breach;

- D. In the event that the Contractor does not respond within the appropriate time with a corrective action plan, or the Contractor's corrective action plan is determined by the County to be insufficient, the County may commence termination of this Contract in whole or in part pursuant to Section XI.A;
- E. In addition, the County may withhold any payment owed the Contractor or prohibit the Contractor from incurring additional obligations of funds until the County is satisfied that corrective action has been taken or completed; and

- F. Nothing herein shall be deemed to affect or waive any rights the parties may have pursuant to Section XI. Subsections A, B, C, and D.

**XI. TERMINATION**

- A. This Contract may be terminated by the County without cause, in whole or in part, prior to the termination date specified in Section II, by providing the Contractor 30 days advance written notice of the termination.

If the Contract is terminated by the County, pursuant to this Subsection XI,B.(1), the Contractor shall be liable for damages, including any additional costs of procurement of similar services from another source.

If the termination results from acts or omissions of the Contractor, including but not limited to misappropriation, nonperformance of required services, or fiscal mismanagement, the Contractor shall immediately return to the County any funds, misappropriated or unexpended, which have been paid to the Contractor by the County.

- B. If County or other expected or actual funding is withdrawn, reduced, or limited in any way prior to the termination date set forth in this Contract and its attached Exhibits, the County may, upon written notification to the Contractor, terminate this Contract in whole or in part.

Funding or obligation under this Contract beyond the current appropriation year is conditional upon appropriation by the County Council of sufficient funds to support the activities described in the Contract. Should such appropriation not be approved, this Contract shall terminate at the close of the current appropriation year.

- C. This Contract may be terminated by the Contractor without cause, prior to the date specified by providing the County 90 days advance written notice of the termination. The Contractor shall provide the County 90 days advance written notice of its intent not to renew this Contract, in whole or in part.
- D. Nothing herein shall limit, waive, or extinguish any right or remedy provided by this Contract or law that either party may have in the event that the obligations, terms, and conditions set forth in this Contract are breached by the other party.

**XII. ENTIRE CONTRACT/WAIVER OF DEFAULT**

The parties agree that this Contract is the complete expression of the terms hereto and any oral or written representations or understandings not incorporated herein are excluded. Both parties recognize that time is of the essence in the performance of the provisions of this

Contract. Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of the Contract shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Contract unless stated to be such through written approval by the County, which shall be attached to the original Contract.

**XIII. HOLD HARMLESS AND INDEMNIFICATION**

- A. In providing services under this Contract, the Contractor is an independent contractor, and neither it nor its officers, agents, or employees are employees of the County for any purpose. The Contractor shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits, or taxes, by, or on behalf of the Contractor, its employees, and/or others by reason of this Contract. The Contractor shall protect, indemnify, and hold harmless the County, its officers, agents, and employees from and against any and all claims, costs, and/or losses whatsoever occurring or resulting from: (1) the Contractor's failure to pay any such compensation, wages, benefits, or taxes; and/or (2) the supplying to the Contractor of work, services, materials, or supplies by Contractor employees or other suppliers in connection with or support of the performance of this Contract.

- B. The Contractor further agrees that it is financially responsible for and shall repay the County all indicated amounts following an audit exception that occurs due to the negligence, intentional act, and/or failure, for any reason, to comply with the terms of this Contract by the Contractor, its officers, employees, agents, and/or representatives. This duty to repay the County shall not be diminished or extinguished by the prior termination of the Contract pursuant to the Duration of Contract or the Termination sections.
- C. The Contractor shall protect, defend, indemnify, and hold harmless the County, its officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of, or in any way resulting from, the negligent acts or omissions of the Contractor, its officers, employees, and/or agents, in its performance and/or non-performance of its obligations under this Contract. The Contractor agrees that its obligations under this subparagraph extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, the Contractor, by mutual negotiation, hereby waives, as respects the County only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. In the event the County incurs any judgment, award, and/or cost arising therefrom including attorneys' fees to enforce the provisions of this article, all such fees, expenses, and costs shall be recoverable from the Contractor.
- D. The County shall protect, defend, indemnify, and hold harmless the Contractor, its officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of, or in any way resulting from, the sole negligent acts or omissions of the County, its officers, employees, or agents. The County agrees that its obligations under this subparagraph extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, the County, by mutual negotiation, hereby waives, as respects the Contractor only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of

Title 51 RCW. In the event the Contractor incurs any judgment, award, and/or cost arising therefrom including attorneys' fees to enforce the provisions of this article, all such fees, expenses, and costs shall be recoverable from the County.

- E. Claims shall include, but not be limited to, assertions that use or transfer of software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, and/or otherwise results in unfair trade practice.
- F. To the extent that a Contractor subcontractor fails to satisfy its obligation to defend and indemnify the County as detailed in Section XVII.B. of this Contract, the Contractor shall protect, defend, indemnify, and hold harmless the County, its officers, employees and agents from any and all costs, claims, judgments, and/or awards or damages arising out of, or in any way resulting from, the negligent act or omissions of the Contractor's subcontractor, its officers, employees, and/or agents in connection with or in support of this Contract.
- G. Nothing contained within this provision shall affect and/or alter the application of any other provision contained within this Contract.
- H. The indemnification, protection, defense and hold harmless obligations contained herein shall survive the expiration, abandonment or termination of this Contract.

Ref: KCC 12.16.020.

C. Equal Benefits to Employees with Domestic Partners

Pursuant to Ordinance 14823, King County's "Equal Benefits" (EB) ordinance, and related administrative rules adopted by the County Executive, as a condition of a competitive award of a contract valued at \$25,000 or more, the non-public Contractor agrees that it shall not discriminate in the provision of employee benefits between employees with spouses, and employees with domestic partners during the performance of this Contract. Failure to comply with this provision shall be considered a material breach of this Contract, and may subject the Contractor to administrative sanctions and remedies for breach.

D. Nondiscrimination in Subcontracting Practices.

During the term of this Contract, the Contractor shall not create barriers to open and fair opportunities to participate in County contracts or to obtain or compete for contracts and subcontracts as sources of supplies, equipment, construction and services. The Contractor shall further comply fully with any equal opportunity requirements set forth in any federal regulations, statutes or rules included or referenced in the contract documents.

F. Small Contractors and Suppliers and Minority and Women Business Enterprises Opportunities.

King County encourages the Contractor to utilize small businesses, including Small Contractors and Suppliers (SCS), as defined below, and minority-owned and women-owned business enterprises certified by the Washington state Office of Minority and

Women's Business Enterprises (OMWBE) in County contracts. The County encourages the Contractor to use the following voluntary practices to promote open competitive opportunities for small businesses, including SCS firms and minority-owned and women-owned business enterprises:

1. Inquire about King County's Contracting Opportunities Program. King County has established a Contracting Opportunities Program to maximize the participation of Small Contractors and Suppliers (SCS) in the award of King County contracts. The Program is open to all SCS firms certified by King County Business Development and Contract Compliance (BDCC). As determined by BDCC and identified in the solicitation documents issued by the County, the Program will apply to specific contracts. However, for those contracts not subject to the Program or for which the Contractor elected not to participate in the Program during the solicitation stage, the Contractor is still encouraged to inquire voluntarily about available firms. Program materials, including application forms and a directory of certified SCS firms, are available at the following Web-site address: <http://www.kingcounty.gov/bdcc>

The term "Small Contractors and Suppliers" (SCS) means that a business and the person or persons who own and control it are in a financial condition which puts the business at a substantial disadvantage in attempting to compete for public contracts. The relevant financial condition for eligibility under the Program is set at fifty percent (50%) of the Federal Small Business Administration (SBA) small business size standards using the North American Industry Classification System and Owners' Personal Net Worth less than \$750K dollars.

2. Contact the Washington State Office of Minority and Women's Business Enterprises (OMWBE) to obtain a list of certified minority-owned and women-owned business enterprises by visiting their website at <http://www.omwbe.wa.gov/> or by Toll Free telephone (866) 208-1064.
  3. Use the services of available community organizations, consultant groups, local assistance offices, the County, and other organizations that provide assistance in the recruitment and placement of small businesses, including SCS firms and minority-owned and women-owned business enterprises..
- G. Sanctions for Violations - Any violation of the mandatory requirements of the provisions of this Section shall be a material breach of Contract, for which the Contractor may be subject to damages, withholding payment and any other sanctions provided for by Contract and by applicable law.
- H. Compliance with Section 504 of the Rehabilitation Act of 1973, as amended (Section 504) and the Americans with Disabilities Act of 1990 as amended (ADA).

Pursuant to Title II of the ADA, and Section 504, King County must not discriminate against people with disabilities in providing services, programs or activities even if those services, programs or activities are carried out by contractors. The Contractor agrees that it shall provide all programs, services, and activities to County employees or members of the public under this Contract in the same manner as King county is obligated to under Title II of the ADA, and Section 504 and shall not deny participation of the benefits of such services, programs, or activities to people with disabilities on the basis of such disability. Failure to comply with this section shall be a material breach of, and grounds for the immediate termination of, this Contract.
