This Interagency Agreement contains six Articles:

ARTICLE I: TERM OF AGREEMENT;

The term of this Interagency Agreement shall be in effect from the date it is executed by the SPD Chief of Police, or designee, until September 30, 2015 unless terminated earlier pursuant to the provisions hereof.

Consultant agrees to make such efforts as a condition of this Agreement.

a. Outreach efforts may include the use of solicitation lists, advertisements in publications directed to minority communities, breaking down total requirements into smaller tasks or quantities where economically feasible, making other useful schedule or requirements modifications that are likely to assist small or WMBE businesses to compete, targeted recruitment efforts, and using the services of available minority community and public organizations to perform outreach.

(5) *Americans with Disabilities Act*: The Consultant shall comply with all applicable provisions of the Americans with Disabilities Act of 1990 as amended (ADA) in performing its obligations under this Agreement. - (7) Suspension and Debarment: The Recipient certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in transactions by any Federal department or agency. By signing and submitting this Agreement, the Recipient is providing the signed certification set out below. The certification this clause is a material representation of fact upon which reliance was placed when this transaction was entered into.

If it is later determined that the Recipient rendered an erroneous certification, the Federal Government and City may pursue available remedies, including termination and/or debarment. The Recipient shall provide immediate written notice to the City if at any time the Recipient learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

The Recipient agrees by signing this Agreement that it shall not enter into any covered transaction with a person or subcontractor who is debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized in writing by the City.

The Recipient shall include the requirement in this section in any subcontracts.

- (8) In the event of the Recipient's or subcontractor's noncompliance or refusal to comply with any applicable law, regulation or policy, the City may rescind, cancel, or terminate the Agreement in whole or in part. The Recipient is responsible for any and all costs or liability arising from the Recipient's failure to comply with applicable law, regulation, or policy.

The work shall, at all times, be subject to the City's general review and approval. The Recipient shall confer with the City periodically during the progress of the Work, and shall prepare and present such information and materials (e.g. a detailed outline of completed work) as may be pertinent, necessary, or requested by the City or BJA to determine the adequacy of the Work or Recipient's progress.

SPECIAL CONDITIONS

13. The grantee agrees to assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the grantee agrees to contact BJA.

The grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its base prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The grantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/nea.html>, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities: For any of the grantee's or its subgrantees' existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the grantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.
15. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/foia/equal_fbo.htm.

Project Name: Burien Police Officer Equipment

Project Cost: \$19,569

Project Description:

The City of Burien will use the FY2012 JAG grant funding for various equipment needed to improve officer safety and make officers more effective in the field.

Program Need:

The City of Burien has limited resources and the FY2012 JAG Grant funding will help provide updated equipment to its Police Officers to help them prevent crime, improve public safety, and improve their own safety.

Program Activities for 4-Year Grant Period:

The proposed program activities are to purchase the equipment during the grant period, so they may be used for training sessions and/or out in the field.
