This Interagency Agreement contains six Articles:

ARTICLE I: TERM OF AGREEMENT:

The term of this Interagency Agreement shall be in effect until September 30, 2016 unless terminated earlier pursuant to the provisions hereof.

- (19) **Suspension and Debarment:** The Recipient certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in transactions by any Federal department or agency. By signing and submitting this Agreement, the Recipient is providing the signed certification set out below. The certification this clause is a material representation of fact upon which reliance was placed when this transaction was entered into.

The Recipient shall include the requirement in this section in any subcontracts.

- (20) In the event of the Recipient's or subcontractor's noncompliance or refusal to comply with any applicable law, regulation or policy, the City may rescind, cancel, or terminate the Agreement in whole or in part. The Recipient is responsible for any

The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at http://www.ojp.usdoj.gov/BJA/resources/ncpa.html, for programs relating to methamphetamine laboratory operations.</p> <p>Application of This Special Condition to Grantee's Existing Programs or Activities: For any of the grantee's or its subgrantee's existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.</p>		
<p>21. The recipient is required to establish a trust fund account. (The trust fund may or may not be an interest-bearing account.) The fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate and expend the grant funds in the trust fund (including any interest earned) during the period of the grant. Grant funds (including any interest earned) not expended by the end of the grant period must be returned to the Bureau of Justice Assistance no later than 90 days after the end of the grant period, along with the final submission of the Federal Financial Report (SF-423).</p>		
<p>22. JAG funds may be used to purchase bulletproof vests for an agency, but may not be used as the 50% match for purposes of the Bulletproof Vest Partnership (BVP) program.</p>		
<p>23. The recipient agrees to submit a signed certification that that all law enforcement agencies receiving vests purchased with JAG funds have a written "mandatory wear" policy in effect. This policy must be in place for at least all uniformed officers before any FY 2013 funding can be used by the agency for vests. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty.</p>

<p style="text-align: center;">SPECIAL CONDITIONS</p> <p>24. Ballistic-resistant and stab-resistant body armor purchased with JAO funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and are listed on the NIJ Compliant Body Armor Model List (http://nij.gov). In addition, ballistic-resistant and stab-resistant body armor purchased must be American-made. The latest NIJ standard information can be found here: http://www.nij.gov/topics/technology/body-armor/safety-initiative.htm.</p> <p>25. The recipient agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies. If OJP determines this regulation to be applicable, should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(e)-(6). Recipient may not satisfy such a fine with federal funds.</p> <p>26. The recipient agrees to ensure that the State Information Technology Point of Contact receives written notification regarding any information technology project funded by this grant during the obligation and expenditure period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these grant funds. In addition, the recipient agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to http://www.ojp.gov/default.aspx?area=policyAndPractice&page=1046.</p> <p>27. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/equal_fbo.htm.</p> <p>28. The recipient acknowledges that all programs funded through subawards, whether at the state or local levels, must conform to the grant program requirements as stated in BJA program guidance.</p> <p>29. Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtaining of Institutional Review Board approval, if appropriate, and subject informed consent.</p> <p>30. Grantee agrees to comply with all confidentiality requirements of 42 U.S.C. section 3789g and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. Grantee further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, section 22.23.</p> <p>31. The recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of JAO funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.</p>

<p>32. The recipient agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.</p> <p>33. Award recipients must submit quarterly a Federal Financial Report (SF-425) and annual performance reports through OMS (https://grants.ojp.usdoj.gov). Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA), P.L. 103-62, applicants who receive funding under this solicitation must provide data that measure the results of their work. Therefore, quarterly performance metrics reports must be submitted through BJA's Performance Measurement Tool (PMT) website (www.bjaperformancetools.org). For more detailed information on reporting and other JAO requirements, refer to the JAO reporting requirements webpage. Failure to submit required JAO reports by established deadlines may result in the freezing of grant funds and future High Risk designation.</p> <p>34. Award recipients must verify Point of Contact (POC), Financial Point of Contact (FPOC), and Authorized Representative contact information in OMS, including telephone number and e-mail address. If any information is incorrect or has changed, a Grant Adjustment Notice (GAN) must be submitted via the Grants Management System (OMS) to document changes.</p> <p>35. The grantees agree that within 120 days of award acceptance, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (Internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.cifli.org). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership (www.cifli.org).</p> <p>36. No JAO funds may be expended on unmanned aircraft, unmanned aircraft systems, or aerial vehicles (US, UAS, or UAV) unless the BJA Director certifies that extraordinary and exigent circumstances exist, making them essential to the maintenance of public safety and good order. Additionally, any JAO funding approved for this purpose would be subject to additional reporting, which would be stipulated by BJA post-award.</p> <p>37. BJA strongly encourages the recipient submit annual (or more frequent) JAO success stories at JAO.Showcase@ojp.usdoj.gov or via the online form at https://www.bja.gov/contactus.aspx. JAO success stories should include the name and location of program/project; point of contact with phone and e-mail; amount of JAO funding received and in which fiscal year; and a brief summary describing the program/project and its impact.</p> <p>38. Recipients may not expend or drawdown funds until the Bureau of Justice Assistance, Office of Justice Programs has received and approved the signed Memorandum of Understanding (MOU) between the disparate jurisdictions and has issued a Grant Adjustment Notice (GAN) releasing this special condition.</p> <p>39. Recipient may not expend or drawdown funds until the Bureau of Justice Assistance (BJA) has received documentation demonstrating that the state or local governing body review and public comment requirements have been met and a Grant Adjustment Notice (GAN) has been approved releasing this special condition.</p>

Program Narrative

City of Burien

Project Name: Burien Police Officer Training and Forensic Computing Workstation

Project Cost: \$20,455

Project Description:

The City of Burien will use the FY2013 JAG Grant funding for police officer training to include forensic computer training and the set-up of a forensic computing workstation. This will improve officer safety and increase public safety.

Program Need:

The City of Burien has limited resources and the FY2013 JAG Grant funding will provide relevant training for the police officers and will provide a forensic computing workstation which will help access the data on computers, laptops, and cell phones recovered at crime scenes. This will enhance the police's ability to perform technical investigations.

Program Activities for 4-Year Grant Period:

The proposed program activities are to provide relevant training for officers, including forensic computing training; as well as purchase equipment to set up a forensic computing workstation for technical investigations.

Anticipated Coordination Efforts Involving JAG and Related Justice Funds:

Prior JAG grants include police officer training costs and the purchase of equipment to improve officer safety and increased public safety. This grant coordinates with the efforts under those prior JAG grants.

Project Objectives:

Our objective is to improve officer/public safety through relevant training. We also want to improve our ability to conduct technical investigations through the purchase of specialized equipment and training. The measurable outcome is increased training for the officers and increased technical investigations conducted using the new forensic computing workstation.
