February 6<sup>th</sup>, 2009

Seattle City Council Members;

In 2005 we took a vote for a recommendation of an annexation based on the outcome of studies conducted within our community paid for by King County Government. The 2005 majority vote recommended annexation to the City of Burien.

Today in 2009, a unanimous 13 votes still recommends annexation to the City of Burien for the same reasons. Thank you for the opportunity to reiterate our position on annexation.

Thank you for your time,  
Russ Pritchard, President, North Highline Unincorporated Area Council
