LEGEND

1. + Costs: The Land Use Permit Fee Schedule includes within the application base fee the ordinary costs associated with project review by Community Development Department Staff. In addition to the application fee, the applicant shall deposit the minimum amounts required for engineering review in accordance with the schedule set forth. The City may draw upon such deposits at the rate of \$ 103.00 for each hour of engineering review. The applicant shall replenish such deposits when the reimbursable costs for engineering review meet or exceed the amount deposited.

In addition to the application base fee and engineering fees, the applicant shall, by mutual agreement, reimburse the City for the costs of professional engineers and other consultants hired by the City to review and inspect the applicant's proposal when the City is unable to do so with existing in-house staff. These professional services may include, but are not limited to: engineering, traffic engineering, legal, planning, hearing examiner, environmental review, financial, accounting, soils, mechanical and structural engineering. The City may require the applicant to deposit an amount with the City to cover anticipated costs of retaining professional consultants.

In the event that a project requires special staff analysis beyond that which is included in the base fee, the applicant shall reimburse the City at a rate of \$103.00 per hour for this extra staff time. The City may require the applicant to deposit an amount with the City to cover anticipated costs of performing special staff analysis.

2. For site development inspections, including inspections required by NPDES Phase 2 permit, the applicant shall provide a \$ 618.00 base fee plus the applicant shall reimburse the City at the rate of \$ 103.00 per hour for additional inspection time beyond the 6 hours included in the \$ 618.00 base fee.
