

Green House Community Garden Our Values & Expectations

Welcome to Burien's Community Garden Program Your Green House Community Garden plot will provide you a space to cultivate and also the opportunity to garden with other community members. To ensure this, individuals who choose not to comply with the following expectations may be subject to removal from the premises:

- Respect Everyone! We provide a family environment that promotes health and enjoyment, so respectful behavior is needed from all Green House Community Garden Members.
- The Green House Community Garden is a recreation program space. Only gardeners and guest's of gardeners should be on the grounds.
- The disruption of programs and/or the usage of violent or offensive language/gestures are not permitted.
- Tobacco use is not permitted inside or within 20 feet of the garden.
- Be Safe
- Acts of vandalism and/or violence are not permitted.
- Weapons of any type are not allowed in the garden except as authorized by law.
- Individuals under the influence of alcohol and/or non-prescription drugs will be asked to leave the garden.
- Recreational drug and/or alcohol use is not permitted in the garden or on surrounding grounds.
- Children under 10 years of age must be accompanied by an adult.
- Respect the shared garden space and other's plots.
- Planting in areas outside your plot requires approval of PaRCS staff.
- Please keep your new facility and surrounding grounds free of litter
- Signs, posters, and banners are allowed only in authorized spaces and require approval from staff.
- Storage of personal items or equipment is not permitted. Storage of temporary items requires approval by PaRCS staff.
- Please do not remove city equipment or others belongings from the garden
- THANK YOU for keeping your Community Garden safe, fun, and healthy for all.
