3	Yes! Do whatever is necessary to resurrect the access to the beach at Eagle Landing Park! We spent a lot of money to build these beautiful steps! My idea: From the last remaining pylon, make a new set of steps to the ground and add trail from there to the beach. Don't add new pylon at the near the shoreline that will get washed away, and don't remove the existing steps!! (Please e-mail me for more thoughts on how to accomplish this)	11/4/2017 9:44 AM
4	My only suggestion is to keep reaching out to lower income communities and immigrant communities to spend time and appreciate the natural beauty of the area. I believe this will help in bringing unity to the community and all around support to the park, recreation & open space plan.	11/1/2017 3:57 PM
